### What your audience will experience
"Julie is an engaging speaker. She is lively and intelligent. We are a group of women who network together frequently, and it was intriguing to see how each other’s brains operate. This also helps in your communication style with different people."

**Crissy Knox, Speaker Chair, Rohnert Park Chamber/Women in Business**

"If you are interested in seeing how you can make your brain work better, or helping your kids’ brains work better, or if you are a business owner and you want to make your business life easier, this is the place you need to be."

**Bonnie Terry, Bonnie Terry Learning**

“Julie's topic was interesting and compelling. She held the groups attention with her knowledge and energy. She was also entertaining, using appropriate humor, to assist in delivery of her message and generate enthusiasm and engagement from the group. I would highly recommend her to speak to other organizations.”

**Susan Walls, SING (St. Isidore Networking Group)**
“Julie is a very upbeat presenter with a very warm personality. Her workshop was very engaging and everyone had something good to say about her talk.”

Hamid Sadaat, Director, CSIX Connect, Founder

“Julie is definitely energetic and fun to listen to. Her expertise on the brain is incredible. She really knows how to engage you and to teach you.”

Marie Wallace, eWomenNetwork, Managing Director Sacramento Region

“I sure enjoyed your presentation last night. The tips were very practical and I look forward to implementing them. Thank you for sharing your knowledge in such an engaging way.”

A. Smith, Entrepreneur

“Julie was very engaging. She provided our members with several practical tools to help them better cope with the ups and downs of their job search.”

Robert Withers, ProMatch, Director

“Julie is definitely energetic and fun to listen to. Her expertise on the brain is incredible. She really knows how to engage you and to teach you.”

Marie W, Meeting Coordinator

“To date, for me, this was the best speaker I have had the opportunity to see at a Vistage meeting. I was able to gather much information that I can present to my staff of dealing with our customers. This was a great value. Well done interactive-fun inclusive.”

Charles Smith, Founder & CEO of Human Resources

“Extremely valuable information. Almost too much information covered in the time we had. Can see where a full-day workshop would be beneficial.”

Jim Moats, CEO Jim Moats and Association

“Julie Anderson is an excellent speaker. The Foothill Employer Advisory Council has had the pleasure of Julie speaking twice to our group. She is very knowledgeable in her topics. She provides ideas that really work and you will remember what she has to say for years. She not only makes suggestions, but gives you great handouts that will help you grow your business.”

Cindy Burris, Foothill Employer Advisory Council
A prolific author, Julie has published several books with more on the way. Most notably her book, The Brain Storm Journal, for Journaling 101 Storms in Your Brain is renowned for being a fun and interactive brain friendly journal. Soon to be released Change Your Mind in 21 Days, Practices for Creating a Healthy and Happy Mindset and Life is a personal development must have; and What Did You Say? A Practical Guide to Communications, Relationships and the Brain specifically applies to the improving communication in the corporate workplace.
